3. SUBMISSION CATEGORIES

3.1 The festival accepts submission in three categories:

- INTERNATIONAL DOCUMENTARY COMPETITION (see point 4.1)

In this program you'll see a selection of beautiful, moving, amazing or groundbreaking documentary films. In blocks of 2 hours each, consisting of several short films and introduced by a film professional or one of the filmmakers, you are guaranteed to dive into a diverse range of places, people and stories worldwide.

- SPECIAL THEME PROGRAM: WATER (see point 4.8)

In our special program about water, while the water of the Dokkumer Ee is splashing against the steel, you can enjoy a diverse program in which the water of the earth plays a role. Water: where one craves for it, the other will fight against it. Water as our friend and our enemy.

- SPECIAL NIGHT PROGRAM: TRASH MOVIES (see point 4.16)

While drinking a nice local special beer, you can enjoy the most absurd, crazy and insane short films in this program that completely turn the world upside down for a very short while. Films that show the absurdity of life, people and our strange habits. Who will make you forget who or where we are for a moment. Films that above all make you laugh uncontrollably.
