

TERMS & CONDITIONS FOR KURZFILM FESTIVAL HAMBURG 2022 & MO&FRIESE JUNGES KURZFILM FESTIVAL 2022

1. GENERAL INFORMATION

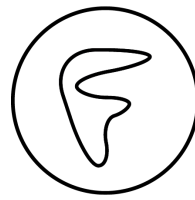

The **38th Kurzfilm Festival Hamburg (Hamburg Short Film Festival)** will take place from **May 30 to June 6, 2022**. The German and International competitions present a selection of films in composed programmes which reflect contemporary questions and aesthetics in the mirror of the present. The Triple Axel Competition with its annual changing topic challenges filmmakers to take full advantage of the three minutes max. The competitions of Kurzfilm Festival Hamburg function as seismographs for societally relevant questions and therefore allow brief glimpses into the future. Young new talents encounter well known artists. Contemporary cinema at eye level – international and national. Films shown in the competitions, as well as the curated programmes in the so-called Laboratory of the Present were produced outside the framework of commercial exploitation strategies, thus offering an unobstructed look at questions and relationships, conditions and moments. The Kurzfilm Festival Hamburg awards prizes worth a total of 15.500 €. The Jury of the International Competition nominates one European film for the European Film Awards.

The **Mo&Frieese Junges Kurzfilm Festival 2022 (Mo&Frieese Young Short Film Festival)** will take place from **May 28 – June 5 2022**. Mo&Frieese is one of the very few film festivals for a young audience that is exclusively dedicated to short film. Including all types of short films, we present nine programmes with three different competitions aiming at children and youth age 4 to 18 and an international industry. Mo&Frieese awards prizes worth a total of 3000 €. In addition, an international Jury (containing of ECFA members) is choosing a short film for the ECFA Short Film Award.

Both festivals are organized by the association Kurzfilm Agentur Hamburg e.V.
