

Call for Entries

36th Tehran International Short Film Festival

10 - 15 November, 2019 Tehran, Iran

Tehran International Short Film Festival

The festival, with a focus on “human values and society”, is organized by the Iranian Youth Cinema Society (TISFF), and is a member of “International Short Film Conference”.

Sections of the film festival

Main competition

- Best Fiction: Trophy + Diploma + € 1500
- Best Documentary: Trophy + Diploma + € 1500
- Best Animation: Trophy + Diploma + € 1500
- Best experimental: Trophy + Diploma € 1500

Grand Prix

The best film of the “main competition” is chosen by the jury as the winner of the Grand Prix which includes a Trophy, a Diploma, as well as a prize of € 3000.

Video Art

This section intends to promote video art productions from around the world. This section does not include fiction, documentary, experimental and animation films.

The best film in this section will be awarded with a Diploma as well as a prize of € 500.

Regulations:

1. Entry requirements

- Films must have been completed after January 1st, 2018.
- Films of 30 minutes or less are eligible.
- Fiction, animation, documentary and experimental genres, as well as video art can be submitted to the festival.
- Each film can be submitted in just one section. The sections include "Main competition" and "Video Art".
- Films which have already been publicly broadcast or distributed in any form or screened in Iran are not accepted.
- Films already submitted to previous TISFF are not accepted - even in a newer version.
- Industrial and commercial films are not accepted.

2. Entry procedure and selection

- Films must be submitted on-line and uploaded via platforms.
- Complete transcription of dialogues with time code in their original language with translations only in English (even if the language of the film is English).
- Email at least one still of the film to the event.
- The **deadline** for the online entry is **June 20, 2019**.
- There is **no submission fee**.
- The list of the selected films will be published on the Festival's website (<http://www.tisff.ir>) by September 20th, 2019.
- Directors, producers and distributors of selected films will be notified via email prior to the event.

3. Screening format and Resolution

- Screening format: Mpeg2- Mpeg4 (H.264) - MOV (H.264), with inlaid subtitles.
- Resolution: Full HD, 1920 x 1080
- Frame rate: (25p – 50i)

4. Non-specified cases

The festival committee will decide on any case which have not been stipulated in this regulations document. The signature of the applicant implies full understanding of and consent to the rules.

5. Permission

I DISAGREE that my film be screened for Non-profit and educational purposes by the festival (The festival will inform the filmmaker of such events).
